- Our units are equipped with DIXELL Controls - the most efficient in the industry and easy to operate.
- We have oversized the refrigeration systems and increased the wiring gauge for longevity
- All of our prep-tables models come standard with casters
- Adjustable heavy duty PVC coated white shelves
- Self-closing and stay open doors
- Our equipment is designed using the highest quality materials and components to provide the user with stable product temperatures and lower utility costs at a very competitive price.
- A high density, CFC free polyurethane insulation for the entire cabinet and solid door.
- Magnetic gasket with Stainless steel door hinges and a heating element for refrigerator doors.

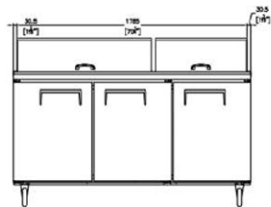

### MEGA TOP PREPARATION TABLES
