## CT302

Countertop  
Electric Deck Oven

### Model(s) Available

- CT302 - two compartment, four deck oven

## Construction

- Stainless steel front, top and sides
- Aluminized steel back and bottom
- Safe door operation - stainless steel handles are raised 3.5" from the surface of the door
- 1.75" insulated doors - 15% thicker than the competition
- High-temperature mineral fiber sheet insulation on top, back, sides and bottom
- Aluminized steel baking compartment liner

## Operation

- 6 tubular type heaters (208 or 240 VAC) 7500 total watts
- Thermostat actuated contactor heater control
- Easy to use, high efficiency controls with timer. Located on the side, our controls will not overheat.
- 3.75" (95mm) deck heights - more room between decks than the competition

## Standard Features

- Temperature range of 150° to 550°F
- .625" thick Quick Heat Technology™ baking stones for crispy crusts
- Eighteen months parts and one year labor warranty
- 4" legs with adjustable sanitary feet
- Individual adjustable venting system per deck
- Fan cooled controls
- 6-50 NEMA cord and plug (*1 phase ovens only*)

## Options & Accessories

- Deck cleaning brush (at additional charge)
